What did Manchester Mates find at Manchester College? Each other!

"We met on a blind date in the fall of our freshman year (1955). From then on, we had "Coke" dates, study dates, and many walking dates around North Manchester with our 5-cent ice cream cones. Howard was tossed in the fountain on our engagement and I was dumped into the bathtub at Oakwood Hall. We recently celebrated our 51st anniversary." – Howard '59 and Carolee Liechty '59 Ogburn

It's time to close the books on another fiscal year for The Manchester Fund, the source for the most-urgent and pressing needs of the College.

The Manchester Fund turns on the lights. It supplies fuel for lawnmowers and transporting student-athletes. It provides books, research materials and internet databases in Funderburg Library. And, especially important as families struggle in these uncertain economic times, it provides student financial aid.
